#### Work on repairing potholes begins WORK has started on

WORK has started on repairing a pothole-ridden road in Burnt-wood, three months after the holes first appeared. Last week The Chronicle reported how Hunslet Road contained 24 potholes in 120 yards, between the junctions of Huntsmans Gate and Ogley Hay Road.
Sue Hollyhead, a resident of the adjoining Boulton Close, said her car had been damaged by the potholes twice in three months, causing damage of £210.

Mrs Hollyhead and husband Andy called on Staffordshire County Council to complete the work as soon as possible. "The road is in a disgraceful condition—it resembles the moon's surface," Mr Hollyhead said.

But after a dispute with Hednesford owner Steve Price they have been forced to take it elsewhere and the finals will now take place at Great Wyrley Football Club, in Hazel Lane. The first of the many cup finals was due to kick off in just three weeks' time.
Secretary of Cannock Chase Football League, Garry Cartwright, said they were left with no option but to find an alternative venue.

Mr Cartwright claims Mr Price demanded they increase admission prices for the league's presentation evening, due to be held on May 28, from \$17.50 to either \$20 or \$25 a head.

ARTISTS put their creative skills to good use when they held an exhibition of their work. The display was held to raise money for the church hall where they meet.

All 18 members of the group submitted pictures for the display at the Wesley Methodist Chapel, in Great Wyrley.

They also laid on a buffet for visitors who helped to raise £260. The much-needed cash will go towards the cost offlooring for the chapel schoolroom. Exhibitor Jenny Dunn, of Leacroft Lane. Church-bridge, who helped to organise the event, said: "The floor is being done up at the moment, but they've almost run out of money. "As the art group uses the church every Tuesday morning, we decided to help out."

Up to 70 drawings and paintings were exhibited with artists using water-colours, acrylics and oils to illustrate a range of subjects including still life, animal portraits and land-scapes. There were also a number of paintings inspired by Scottish painter Jack Vettriano.

# **Demolition is verdict** on courthouse future

A CANNOCK courthouse faces demolition as part of a scheme to provide car parking for the police station.

The 1966-built magistrates' court in Wolverhampton Road has been disused since 1987, when a new building was constructed.

State 1301, When a new building was constructed.

Staffordshire Constabulary has applied to bulldoze the old court in order to enlarge the police station car park for the use of staff.

The move follows a recent appraisal of the police station's future role which highlighted a need for 52 spaces. The existing car park has spaces for just 25 cars and vans which is insufficient for operational needs, say police chiefs.

Planning permission is being sought from Cannock Chase Council for a 41-space car park as there is not enough capacity to accommodate the full number.

# for bus to village

near Cannock has escaped the axe at the 11th hour after a campaign by residents.

The U-turn by Arriva Midlands at Norton Canes has come despite pressure on the bus firm to make cuts as it loses £1 million from its budget.

Villagers had argued that losing the No 33 bus service would cut them off from local amenities such as the doctor's surgery, post office, health services and shops. The campaigners sent a petition to Staffordshire County Council, which co-ordinates local transport.

The protesters also voiced their concerns to Arriva at an information roadshow by the firm in Cannock.

Now the number 32 service will be diverted to serve Chapel Street, Norton Green Lane and Walsall Road to and from Brownhills, Cannock, Hednesford and Rugeley.

Keith Myatt, communications manager for Arriva Midlands, said the company had been forced to make changes to its coverage because the Government was slashing its funding for concessionary fares by 20 per cent.

The firm has been in discussion with transport chiefs for 12 weeks to introduce changes to the bus network.

"Following talks with the county council, we are pleased to announce the reintroduction of buses to an area of Norton Canes that was to lose its links to Brownhills, Cannock, Hednesford and Rugeley.

"We had a significant response from the people that use the bus in that area who told us of their concerns about getting access to important local amenities.

"The decision to reintroduce buses to the Chapel Lane and Norton Green Lane areas of Norton Canes shows that Arriva has listened to its customers' concerns and is pleased to

Lisa Pearce, of Granary Close, has warned that someone could get killed as motorists speed down the road which, she said, is sometimes double-parked.
She said: "Anyone who knows Hednesford knows the quickest way to get around the closed road is to go down there.
"Blue badge holders are parking on the double yellow lines on the corner and it's virtually impossible to get past there and the taxi rank at times."
Mrs Pearce has suggested temporary no parking signs are put down the street or the road's taxi rank is temporarily moved.

"I would be very surprised if there has not been a bump already down there if something

isn't done soon – and the kids are back at school."
Hednesford South ward's Councillor John Burnett said: "People are using Anglesey Street as a rat run to dodge the lights. The problem is that the roadworks mean that you can't get directly to Cannock.

"It's creating a lot of problems with people parking outside the Coop, using their blue disabled badges. The taxirank is over the road and then there's the added problem of deliveries."

The closure is part of the Pye Green Valley regeneration scheme. Further road closures will be needed in the coming months.

Staffordshire County Council spokesman Michelle Hunt said that it could do little if drivers chose to ignore diversion routes.

Pupils in death penalty campaign

WE are writing to inform you about a campaign week began on Monday (February 28) at Kingsmead Technology College, Hednesford. As part of our GCSE citizenship coursework, we are required to campaign for or against a topic we feel strongly about. We have chosen to campaign against the death penalty because our group believes that it is unjust to kill criminals.

Although the death penalty is not used in Britain, there are still 71 countries that do still use capital punishment.

One of these countries is America. While many states have indeed abolished the death penalty menulty many still execute prisoners on what is called Death Row. States supporting the death penalty include Texas, Virginia, Missouri, Florida and Oklahoma. More than 13,000 people have been killed in America since the colonial times.

#### TOP TIPS TO MAKE YOUR HOME GREENER

NATIONAL Homebuilding & Renovating Show spokesperson, Jason Orme believes that with higher utility bills and the recent increase in VAT, installing energy efficient systems to your new build or renovation can make an immediate and significant difference to your new build.

to your energy bills.

Jason explains 10 ways to make your home greener and make both short and long term savings:

Insulation: Almost half of heat loss in a home is through the walls. Good and effective insulation keeps

heat from escaping.

Solar heating: 30 per cent of the average household

heating bill is spent on heating water. Installing solar energy can make you a saving of around £65 per year. Water recycling: Water recycling methods can save between 30-50 per cent of a home's water require-Heat pumps: Though actual savings figures will

depend on your exact fuel prices, self builders can expect to save an average of £250 a year on their energy bill by using heat pumps.

energy bill by using heat pumps.

Biomass: Five years ago fuel oil was less than 20p per litre. It is now more than 63p — a rise of 175 per cent. Using biomass fuel can be cheaper.

Eco lighting: Energy saving light bulbs can last up to 10 times longer than ordinary bulbs. They cost as little as £3 and can save you up to £40 per year.

Boilers: Installing the right boiler will also make significant savings; The Energy Savings Trust estimates this to be up to £200 per year for the equivalent of 1.7 tonnes of carbon dioxide.

Secondary glazing: Installing a secondary clazing

tonnes of carbon dioxide.

Secondary glazing: Installing a secondary glazing system which can be fitted easily to the window frame is a great way to keep energy from escaping your home.

Underfloor heating: Running costs for underfloor heating tend to be between 10-30 per cent cheaper

than a radiator based system.

Green finishes: Natural or organic paints are nontoxic and are made from natural ingredients such as water, vegetable oils, plant dyes and natural minerals

breaks for three quarters of a century – Butlin's. This year marks the 75th anniversary since Sir Billy opened up his first camp in Skegness. Just three sites remain nowadays, but that has enabled owners Bourne Leisure to splash the cash as it concentrates on making its trio of resorts as entertaining as possible for its guests. Skegness, Milnehead and Bognor Regis, with its Shoreline Hotel, make up the Butlin's resorts. It was at Minehead that my family and I took a weekend break. Going half board, the six of us stayed in a Gold apartment.

board, the six of us stayed in a Gold apartment.

Exclusive to the Somerset site, these comprise four bedrooms – two doubles, one with an en suite and both with a TV – and two twin rooms. This, of course, led to arguments among the children over who was having which room, but put that to one side and it was a wonderful break. It was half-term so the place was busy – and there was always so much to do.

Back in 1999, Butlin's introduced its distinctive Skyline Pavillion, which guarantees entertainment whatever the weather. We were lucky in that we had a dry weekend.

#### **Crafty holiday** fun for children

Around 50 youngsters took part in the craft activity at the Museum of Cannock Chase in Valley Road, Hednesford.

The event was part of the museum's half-term activities.

The toy scarecrows were made using recycled material including cereal packets, yoghurt cartons and bottle tops.

The children enjoyed a story-telling session, while staff also took advantage of the sunny weather by organising traditional group games, such as Parachute, on the lawn outside.

group games, such as Parachute, on the lawn outside.

Hundreds of youngsters took part in a range of workshops and activities at the museum during the week-long school break.

These include making hats and decorations out of paper and learning to crochet. Children have also created paper dolls.

Visitor services officer Nicola Bannister said 212 children took part in the drop-in sessions on Victorian paper crafts.

She said: 'The workshops have been incredibly popular.

"They operate on a drop-in basis, there were no set times, and people have been able to come and go to suit them."

#### Firemen move in at station

CANNOCK firefighters this week moved into their new £4.3m fire station.

He is calling on visitors to avoid parts of the beauty spot where the land and woodland.

He is calling on visitors to avoid parts of the beauty spot where the plant disease phytophtora is present.

The infection was first discovered on the Chase in 2009 and a county council team has since been working in partnership with Natural England and the Food and Environment Research Agency to contain it.

Councillor Winnington said: "The countryside team has been working inferced areas round the clock.

"However, the disease is persistent, lying dormant in the soil until damp weather, such as we have been experiencing lately, causes it to produce spores which can spread.

"The county council is doing all it can to stop the disease spreading through one of Staffordshire's greatest wildlife havens, and I would encourage the community to continue to support usin doing this. Phytophthora spores can easily be picked up and spread to bil-

new venture offers a different style of antiques.

She said: "I have travelled far afield to purchase items for the shop.

"The interior is quirky having a counter from a 1920s bank, original pre-war carnival fairground horses, a motor cycle suspended from the beams and a classic juke box playing music from different eras.

"This is an exciting time for me and I offer a wide range of fashionable antiques that are currently in vogue.
"I sell industrial interiors, Hungarian, Danish, German and French furniture as well as English items," she said "I range from large painted dressers to small silver wartime badges."

The shop also stocks pine, dark woods and shabby chic items to cater for all tastes.

#### Retirement in the can for Campbell

A TOWN clerk can now put up her feet following her retirement after 23 years' service. Friends and colleagues will say an official farewell to Maureen Campbell next week. She had held the position at Rugeley Town Council since its formation in 1988.

postation at studency fown content since its iorination in 1988.

For her last day in office last Friday (February 25), friends including councillors and members of town organisations called into the council offices in Anson Street to say goodbye.

The 59-year-old, who lives in Colwich, was presented with a farewell gift at her final council meeting on Wednesday by council chairman Councillor Mick Grocott.

Mrs Campbell, who is from Carrickfergus, in Northern Ireland, was a finance officer with Belfast City Council before taking up her post in Rugeley.

Friend and former councillor Chris Martin said: "In my opinion she has done more for Rugeley than any other individual.

# Verdict on rider won't WALSALL BEDS CANNOCK change, says coroner

A CORONER has said he would not change his verdict on the death of a patient whose treatment at the hands of Stafford Hospital was the subject of controversy.

Neither the edited report nor the original was sent to the coroner. Mr Haigh said it would have been "preferable" to see the report by Mr Phair and that he would have been likely to have called him to give evidence to the inquest.

But Mr Haigh said his conclusions would have been unlikely to

John Moore-Robinson, aged 20, died in April 2006 after a mountain bike accident on Cannock Chase. He was rushed to Stafford thospital where doctors failed to carry out a scan and missed his eit ruptured spleen. He was discharged home to Leicestershire with raphinkillers but died a few hours later.

The death was subject to an inquest by South Staffordshire Coroner Andrew Haigh, who requested a report from consultant Ivan Phair. He delivered a narrative verdict without hearing of seeing the report from Mr Phair, which concluded the death was negligent and avoidable.

It emerged in 2010 that former head of legal services Kate Levy for

change the outcome. He said: "I still felt it was highly unlikely that the evidence I could have heard would have led me to a conclusion either of neglect or sending it off to the police for a manslaughter consideration.

#### Disappointed

"I would have liked to receive it and I'm disappointed that I didn't receive some appropriate information here."

Although the coroner said he would have been unlikely to change his verdict he did accept that he might have changed a formal letter he wrote to the hospital in order to take account of concerns.

Oncerns.

At the public inquiry, Mr Haigh defended his relationship with Stafford Hospital managers. He was asked questions about his decision to make Stuart Knowles, a former solicitor for the hospital, a deputy coroner in 2007. A doctor from the hospital was also appointed as an assistant deputy coroner.

Mr Haigh said the public "should accept" his choice and added that any perception of him being too close to the trust was wrong.

#### 2011 - Year of the Bible

This year is the 400th anniversary of the King James ('Authorised') Version of the English Bible.

But the Bible is more than 400 years old. The oldest books of the Old Testament were written nearly 4000 years ago, while the New Testament is 2000 years old. Together they form the Holy Scriptures which record God's purpose with the earth - and with us. This really is a book worth reading.

Have you ever tried or thought about reading the Bible?

#### THEN this is the year to start

The Cannock Christadelphians hold a lively and instructive Bible Reading Group on Monday evenings at 7.45 pm. We have just completed reading the Acts of the Apostles and now plan to read the BOOK OF DANIEL.

Come along on the first evening, Monday 7th March at 7.45pm, to get a flavour of the group. A Bible will be provided. There is no need to register. Learn what the prophet Daniel has to say about our times and the coming kingdom of God.

# Council in calls to protect the Chase

Councillor Reeves said he welcomed the Government putting a halt to its proposal but said he was not convinced the threat had gone away.

They hope the measure will protect the beauty spot from attempts to revive proposals to sell off Forestry Commission land. And they hope it will ensure that local people continue to have full access.

A full meeting of Stafford Borough Council unanimously backed a motion from Councillor Trevor Reeves and Frank Finlay for the chief executive to write to Environment Secretary Caroline Spelman opposing any moves to revive the idea of selling off Forestry Commission woodlands and open spaces including Cannock Chase.

Councillor Reeves said he welcomed the Government putting a halt to its proposal but said he was not convinced the threat had gone away.

"Defra is still in the process of analysing Forestry Commission holding that there may be a return to consultation that there may be a return to consultation. #### CHASE TERRACE LADIES CLUB

Guest speaker, Mr. Ivan C Ellis enlightened the ladies and showed them some wonderful, informative photographs.

He is now retired but was involved for 30 years with the conservation and welfare of the animals and helped to educate zoo

visitors. He said that many years ago, in Sutton Coldfield, there were two ladies, originally dog show judges, called Mollie Badham and Nathalie Evans, who both opened pet shops.

Nathalie had the idea of showing a real woolly monkey in her shop window, along with the usual pet shop animals. This encouraged visitors, especially children, so Mollie decided to buy the monkey off her for £32.

They decided that it made more sense for both ladies to join forces with one shop. The monkey eventually died so they bought first one chimpanzee and then another.

A FUN day was held at a Rugeley bookmakers to mark its move to new premises.

The official opening of Ladbrokes in Lower Brook Street took place on Saturday (February 26). Shop manager Brenda Allen, deputy manager Rachel Jones and counter assistant Marj Williams have clocked up 75 years between them working at Ladbrokes.

The branch was officially launched by Councillor Mick Grocott, who was given a £50 charity bet.

To mark the opening, staff laid on free-to-enter pool, table football and Wil competitions all day.

Staff got into the spirit by dressing up as jockeys and a free buffet was laid on for punters.

A WEEK of improved weather has meant that work to repair the Chase-

water dam has been progressing well. Machines have started groundwork at Nine-Foot

lation at the toe of the dam.

"We have received consent from Natural England to work in the newly designated Site of Special Scientific Interest in Jeffrey's Swag, the railway causeway, and the trotting track."

He added: "The only setback is that the investigation into the extent of asbestos contamination has suggested that we have spoil that needs to be disposed of carefully.

# Going strapless not hapless

IF you want to stay in touch with the latest fashions a decent strapless bar is a MUST. Look around the shops and you find that so

many of the dresses and tops available at the moment are strapless. Problem is so many strapless bars just don't hold you properly and you spend half your time hitching them up. You feel uncomfortable and simply draw attention to your-

self.
The alternative, and it's the same with halter necks tops and dresses, is to wear your normal bra. Yes you may feel a bit 'better held up' but then you have those ghastly straps on show - not

an attractive look! But there is a solution to the problem now with the Wonderbra Ultimate Strapless. The unique shape and style provides maximum comfort, whilst giving a desirable shape and the necessary support.

The hand-shaped internal structure holds you up just like you would with your own hands. It is available in black and skin colour and costs 534.99.

And if you like those clingy tops and dresses but don't like those bumps that show – too much Christmas pudding – try out the Spanx Power Panties which hold you in place and keep you comfortable all day. They are light and breathable, so you don't feel as though you are wearing a straight jacket, but they are still strong and effective. They are £23.99 in black or fleshtone

The underwear is available from Lingerieplease.co.uk or call 0845 365 1221.

Feel comfortable and well supported in this strapless bra

Wear clingy dresses with confidence and hide away those bumps and lumps

Whether strapless or halter neck the right bra under your dress is so important

# et's get cooking

FORGET rushing a meal when you get home after a long day, arrive back to find a tasty casserole waiting for you – slowly does it with the Lakeland Slow Cooker. You can prepare a stew and let it cook all day, so you can tuck right into a dish of tender meat, wholesome beans or flavoursome vegetables. The beauty of the slow cooker is that you can prepare the ingredients when you have the time and leave it bubbling for a convenient and healthy meal.

This Lakeland exclusive is a three and a half litre ceramic pot topped with a glass lid, so you can see what's

going on inside. The simple operating system has three settings – low for simmering and slow cooking, high for a faster cook and auto to keep food at serving temperature. It is available from Lakeland for 23.0.99 and the one and a half little version is £20.99.

There are a lot more things than casseroles that can be created in a slow cooker. The Slow Cooker Cook-book (Lakeland, £9.99) by Catherine Atkinson offers more than 200 ercipes, ranging from pot roasts to soups, steamed puds and preserves. Take the toil out of mashed potation of the composition of th

and the Mexican pear has been halved and stoned.

When it comes to slicing, celebrity cook James Martin has joined forces with Stellar for a new range of stylish knives with stainless steel antisip handles. The Saturday Morning Kitchen chefs' 12-knife collection covers all culinary eventualities and includes four Japanese style Santoku knives, plus a carving fork and sharpening steel. Prices range from £7.15 to £15.50 with a five piece block for £62. For stockists see the website www.stellarcookware.co.uk.

ORMER Wolves and Man United manager Tommy Docherty is unlikely to hold anything back when he entertains a theatre audience in Lichfield.

The outspoken Scot, who also took charge of Scotland, Aston Villa and Chelsea among others in a 27-year managerial career, is now bringing his famous wit to the after-dinner and stage circuits.

Born in Glasgow, 1928, Docherty began his playing career at Celtic before making his name at Preston North End and then Arsenal, winning 25 Scotland

Iratiord with Manchester United in 1972.

A turnultuous but never dull five-year spell included relegation from the top flight in 1974 when Denis Law, whom Docherty had released a year earlier, scored the decisive goal for rivals Manchester City at Old Trafford.

Docherty kept his job and led United to the Second Division title a year later, before enjoying arguably his finest hour in 1977 when the Red Devils beat Liverpool to lift the FA Cup at Wembley.

After leaving United Docherty found himself at Derby County, before managing Sydney Olympic, Preston and Wolves and finishing his career at Altrincham in

opened in Wolverhampton on Tuesday. The little Scotsman with puppy dog eyes and a big voice, who came second to Lee Mead in BBCTV's Any Dream Will Do, 2007's search for a Joseph to star in the show's West End revival, at last takes centre stage in this version of the evergreen musical based on a biblical story. Some trees are well behaved and will take well to regular pruning back.

But others simply use this pruning as encouragement to put on even stronger growth in subsequent years.

When tree and shrubs really get out of hand it's probably a good idea to fell them completely so your garden can have a fresh start. The best time to cut the stem close to the ground is in the winter when the branches are holding the minimum weight of foliage.

To prevent the stump and underlying roots to re-shoot new stems, you need to treat the cut surface as soon as possible after felling.

HYUNDAI 10 ROAD TEST

# City car small, but no lightweigh

or all the doom and gloom of 2010, one car brand shone extra bright: Hyundai.

Although it's happy to acknowledge that the Government's scrappage scheme played its part, it does help if you have the right product in the first place.

Post-scrappage the company is still doing great business, and nowhere is this more obvious than with the little i10.

It feels like an age away since buyers were prepared to wait months for the diminutive hatchback, but they all knew what they were doing.

And, just to prove that you can't afford to stand still in this business, Hyundai has given the already successful I10 hatchback a mild refresh in a bid to keep it ahead of the pack.

#### Nose

Nose

Cosmetically the i10 benefits from Hyundai's new family nose. This design theme is already present on the larger ki35, and is set to be the norm on future models. On the mechanical front the car's 1.2-litre petrol motor is now cleaner, more efficient and more powerful. Also, replacing the 1.1-litre unit is a new three-cylinder, 68bhp 1.0-litre engine. This forms the basis of Hyundai's eco-centric i10 Blue variant. This high-tech three-cylinder engine achieves an impressive 67.3mpg on the combined cycle and boasts a con-

gestion charge and VED-friendly 99g/km CO2 rating.
Even if you don't live in or plan on making regular trips to London to offset the Blue variant's slightly higher price, the 85hph 1.2 unit delivers 61.4mpg and an equally impressive 108g/km CO2 rating. Engine stop-start technology is also thrown in.

The i10 is something of a refreshing

HCO2 LON tute two of the grown-ups for children and you could even be looking at your first family car.

The i10 is also more car. Small yet perfectly formed – Hyundai's refreshed i10 is both attractive and affordable

MP3 player? You bet. Seriously, this is what the i10 is really like – anything but a budget runabout – and it's one of the reasons why buyers flocked to the outgoing model in their droves. It might appear no larger than most other cars on the market but appearances are deceptive. Five doors are the norm here, yet the i10 is easily able to accommodate four adults. Substi-

first family car.

The 110 is also more capable on the road than you might think. With its direct and accurate steering, supple ride and refined cabin, it would appear that compromise has been ripped out of Hyundai's corporate dictionary.

With its eager hum and refined char-

acter, the 1.2-litre 110 is more than capable of keeping up with the rush hour traffic and never feels out of place on the motorway. And the unit's eager nature makes light work of the point-and-squirt urban environment.

There's no question that the engine's added oomph and the slick five-sped manual gearbox helps. A four-speed auto is also available for the 1.2 variant.

#### Cousin

Cousin

The i10 Blue isn't far behind, either. It gets by with less power but the three-pot motor's willingness easily outweighs any on paper deficiencies.

The i10 Blue is more of a city car than its more powerful four-cylinder cousin, but never feels out of puff away from the city limits. The i10 is a good car – it drives well, feels solid and is exceptionally practical. That it comes equipped more like an entry-level family hatch is a bonus. Add the five-year warranty and it's clear that this i10 is no lightweight.

IAINDOOLEY

Electric two-seater concept vehicle from 6 mart puts the emphasis on driving pleasure

# **Open-top car** has fun factor

There's no roof but the Forspeed does come with a tonneau cover which offers protection against both rain and

SMART is unveiling an unconventional open-air concept car at the Geneva Motor

Show.

The Forspeed combines contemporary urban mobility with the fun factor typical of Smart. The two-seater has no roof or side windows and it features a low wind deflector instead of a windscreen in the style of a classic procelled circreft.

propeller aircraft.

The result is an incomparable fresh air driving The result is an incomparable fresh ard driving experience. The responsive electric drive that has been further developed and features a boost func-tion also guarantees driving pleasure. A look forward at the next generation is particularly exciting as the era of electric mobility has already started at Smart.

#### Design

Design

Dr Annette Winkler, head of Smart says: "The Smart Forspeed is a completely new take on how much fun it is to drive electric. It boasts a superò design with a powerful drive system and, needless to say, locally emission-free."

Smart is a pioneer in modern electric mobility. The second generation Fortwo Electric Drive has been available since the end of 2009 and is proving its suitability for everyday use in 18 countries including Germany, Italy, Spain, UK, France, Switzerland, the USA, Canada and further countries in Asia.

Due to the high demand production figures have been increased to 1,500 vehicles. Thanks to this experience Smart has collected extensive customer

feedback that has been used for the development of

feedback that has been used for the development of the Forspeed's electric drive. With its improved performance and charge management the concept vehicle offers a look at the performance potential of future generations of the electric Smart. The Forspeed accelerates from 0 to 37 mph in just 5.5 seconds and reaches a top speed of 75mph. A 30 kW magneto-electric motor is installed at the rear of the concept, providing an immediate, powerful response from stationary. Pressing a button in the centre console activates a boost function which provides an extra 5 kW of power for a short time and is ideal for overtaking manoeuvres on urban highways, for example. The Forspeed is powered by a lithium-ion battery that is sufficient for 84 miles of driving. Quick charging from zero charge to 80 per cent takes just 45 minutes.

The whole interior can be protected against rain and sun when necessary with a tonneau cover. It is easy to stretch it over the interior and fasten it to the body with the straps. It can be divided in the middle with the help of a zip to free the driver's seat only, for example.

A downpour will not lead to any serious problems. Water drainage channels in the vehicle floor ensure that water is channelled outside. The seat surfaces also have water drainage channels and all interior equipment has a waterproof coating for fun behind the wheel regardless of the weather.

# New 308 tops the list of **Peugeot Geneva exhibits**

its 200th anniver-sary, Peugeot achieved an all-time global sales record. up 16.3 per cent to 2.142 million units.

To continue this momentum in 2011, the French firm is unveiling more new products at the Geneva Motor Show, reaffirming its environmental leadership and offering its vision of the transport of tomorrow.

Among the highlights of its Geneva presentation are the new 308.

#### Global

After three and a half years on the market, with 900,000 models sold in more than 100 countries (including some 84,000 in the UK) the 308 gets a new look and makes its global debut at the show.

look and makes its global debut at the show.

The new 308 subtly incorporates the marque's new design language and all three body shapes, Hatchback, SW (estate) and Coupé/Cabriolet feature a look which is both sophisticated and dynamic.

While the new 308 confirms the dynamic excellence for which the car has been renowned since its launch, it now sets the benchmark in terms of environmental efficiency, with contributing factors including

rolling resistance, redesigned aerodynamics and optimised engines. With the new 508 being launched in the UK at the end of April, Peugeot reaffirms its ambitions in one of its traditional strong holds, the large touring car segment. The new car will offer Saloon or SW body

styles, a wide choice of economic petrol and diesel engines ranging from 112 to 204 bhp and its innovative equipment, the 508 is a modern car fully attuned to the aspirations of dynamic, demanding and responsible cus-

tomers.
At Geneva, the RCZ will be displayed as an 'Asphalt' limited edition model which will be available later in the spring.

#### **Distinctive**

It stands out from the 200bhp production version by its exclusive matt grey body colour, its two-tone 19-inch wheels and numerous distinctive features both outside and inside that give it an unmistakeable sporty appearance.

Launched in the spring of 2010, the RCZ has already attracted more than 17,000 cus-

tomers in Europe (2.500 in the UK), With its

tomers in Europe (2,500 in the UK). With its launch of the world's first diesel hybrid vehicle, from mid-2011, Peugeot presents a new offer in terms of environmental efficiency and driving sensations.

On the 3008 Crossover, the hybridisation of a diesel engine (2.0 HDi FAP163 bhp) driving the front wheels and an electric motor with a capacity of 37bhp at the rear sets the scene for 4-wheel drive, a maximum power output of 200bhp, a "zero emission" mode and standardised average fuel consumption of 74.3 mpg.

# **Celebrating spring with** a special edition MX-5

TO CELEBRATE global production of the Mazda MX-5 passing 900,000 units, UK sales of the world's most popular roadster reaching more than 100,000 cars and the approach of spring, Mazda is introducing a new special edition of its

new special edition of its iconic sports car.

The 'Kendo' special edition is named after a modern Japanese martial art renowned for its fighting spirit, eye-catching dynamic movement and refinement.

Two versions of the new-comer will be available from the beginning of March. The Mazda MX-5 1.81 Kendo soft-top costs 219,255 on the road and the more powerful Mazda MX-5 2.01 Kendo addster coupe has a \$22,320 price tag.

#### Fresh

Mark Cameron, sales director, Mazda UK, said: "Special edition models of Mazda MX-5 have always been eagerly received by UK consumers and I'm sure the two new Kendo models will trigger a strong wave of fresh interest in our long-running star performer.

In Britain, the Mazda MX-5 has enioved 20 years of incredible popularity, with UK customers accounting for over 10 per cent of global sales, while it has received a host of 'best sports car' awards from motoring and

best sports car awards from motoring and consumer media.

"The enhanced practicality of the third-generation models, has enabled the MX-5 to become much more than a 'sunny weekend' car and our Roadster Coupe now accounts for the majority of sales as buyers look to use

their Mazda sportscar all-year round." Kendo models are designed to appeal to both the traditional soft-top roadster cus-

Mazda bosses expect the two new Kendo MX-5 special editions to prove popular

tomer and those is in search of a more premium product with the Roadster Coupe. Based on the SE derivatives, both Kendo models feature a unique Stone Leather interior (with Stone coloured stitching on the steering wheel, gear knob and handbrake), 17-inch alloy wheels, exterior badging and floor mats.

#### Premium

In addition there are front fog lamps, heated seats, brushed aluminium style-bar trim and aluminium pedals.

The Kendo Roadster Coupe boasts three additional items of equipment – a premium BOSE audio system, Bluetooth hands-free and cruise control.

Mechanically the Kendo twins are identi-Mechanically the Kendo twins are identi-cal with their regular siblings, delivering the same driving pleasure. The Kendo soft-top is powered by a 126ps 1.8-litre engine, the Roadster Coupe by a 160ps 2.0-litre unit. Mr Cameron added: "Today, the MX-5 remains unrivalled as a rewarding sports car

that can also be used for everyday motoring

throughout the year.

"The MX-5 soft-top continues to offer the purest, fun-to-drive thrills, while the Roadster Coupe adds to those thrills with an even more premium experience, and the same exhilarating drive.

## Fletcher is Diamonds' spearhead

LICHFIELD DIAMONDS U15S 8 DOSTHILL COLTS U15 3

TACTICALLY Diamonds were spot on, taking full advantage of a strong wind in the first half to take

an 8-0 lead.

Two goals came from Player of the Match Caitlin Two goals came from Player of the Match Caitlin Harper, Jose Balla and Mayleigh Harper, while Lucy Whieldon drilled home from the spot and Paige Cartwright also found the net.

At the start of the second half Diamonds were put under pressure by the long ball tactics, and the visitors replied with three goals.

WYALEY PANTHERS UT3 4 LICHTELD DIAMONDS UT3 0
With Diamonds starting off the better team they were unlucky not to go ahead.

However, Panthers scored with their first attack and doubled their advantage thanks to a refereeing error.

and doubled their advantage thanks to a retereeing error.

As the game turned physical in the second half, Diamonds matched Panthers, but despite Niamh Bowlder stopping the Panthers scoring, Diamonds finally conceded two more.

BARTON ROVERS EIRLS U12 2 LICHFIELD DIAMONDS 6
Diamonds took the initiative early on, taking a 3-0 half time lead with Millie Fletcher, hitting a hattrick. Barton with a player advantage pulled a goal back, but Charlotte Jarvis made it 4-1.

Ellie Lewis was next on the score sheet and after Barton scored again, Niamh Bowdler found the net.

LICHFIELD DIAMONDS U14 WALSALL U11 1
In windy conditions and against a Walsall team

LICHFIELD DIAMONDS U11 4 WALSALL U11 1
In windy conditions and against a Walsall team that to their credit made things very difficult Diamonds struggled to find any fluency.
Walsall took the lead after a good diving save from Chloe Dobson but with Diamonds defence nowhere to be seen it left a simple tap in for the loose ball.
The score was soon level however as Charlotte Jarvis drilled in a free kick.
Elizabeth Palmer and Julis Kings then put the City girls well in front with Kelly Craythorne chipping in with the fourth.

## Semi settled in extra time

BEDWORTH LADIES 2 CHASETOWN LADIES 1 – WEST MID-LANDS WOMEN'S REGIONAL LEAGUE (NORTH) LEAGUE CUP WITH-FINAL

CHASETOWN put in a performance to be proud of in this tense semi-final. The kick-off was delayed for an hour to allow the Bedworth staff to get the pitch fit for play.

It was then just as well that the Oval Miners Welfare Ground in Bedworth had floodlights because they were needed when this match went all the way to extra-time. The match came close to being abandoned during extra time as the heavens opened but both teams were playing such great football it would have been a shame.

On the stroke of half-time Jade Arber hit the bar. Straight after the restart Chasetown had the brave goalkeeping of Becky Troth to thank as she raced off her line to block a shot.

The game began to ebb and flow again but Chasetown had a great chance to seal the match at the end of 90 minutes, as a Jodie Kinsey corner caused chaos in the penalty area.

In the 110th minute, Bedworth took the lead and within five minutes they had their second, as a text-book shot across the goalkeeper found the bottom corner.

Chasetown were not finished, though and were

Chasetown were not finished, though and were rewarded with a direct free-kick 25 yards out from Jodie Kinsev.

Chasetown under-9s players in the changing rooms at Villa's Bodymoor Heath training ground

A NEW Chasetown junior team have prepared for becoming members of the Lichfield League by training at 4ston Villa's Bodymoor Heath facility. The Chasetown Blues under-9s team will join the league for the 2011/12 season. New players are being sought for teams at under-7s and under-8s level as well as a girls under-9s team. ## Myrtles pick up a four-try bonus

LICHFIELD 45 WORCESTER WANDERERS 17 - MIDLANDS 1 WEST LICHFIELD achieved a reasonably comfortable victory in a match that had been postponed from December, but despite securing their four try bonus point as early as the 20th minute, they never fully capitalised on their superiority. After a disjointed opening, Josh Massey jinked through to hand Greg Massey the first try - Josh converted. But after conceding a number of driving mauls, the visitors forced their way over and the simple conversion levelled the scores. Lichfield then played their best rugby of the match as they notched up three tries in the space of five minutes through Greg Massey, Chris Upton and Charlie Miner - his first for the first team. Josh Massey added two of the three conversions and Lichfield were 26-7 up.

Impressive No 8 Griffiths set up winger Jenkinson to score in the corner, and reduce the half-time deficit to just 14 points. It was important for Lichfield to start the second period well and they did so as Gareth Brear scored, added five minutes later by Tom Adams. Josh Massey converted one. In reply, Griffiths scored an unconverted try, before Greg Massey completed a personal hat-trick. Brother Josh converted and Lichfield were well clear again.

On Saturday the Myrtle Greens are at home again to Nuneaton Old Edwardians, kick-off 3pm.

Reece, like his twin brother Mitchell, is unfortunately in a weight category where the boxer in the opposite corner towers above them, but with no excess weight on them, it is nearly always going to the the case, so getting their style right to suit the eyes of the officials who score the bouts is just proving to be a little difficult.

The host club's Edge, tall and rangy, held centre of her ring in the first and pumped out a smooth left jab as Roberts bobbed and weaved his way into distance and fired off body shots hoping to slow his taller opponent down.

It was all Roberts in the second as he crashed home punches over his opponent's sloppy left hand, and knocked him straight out of his comfort zone, which left the last round all to play for.

Both lads gave their all in a thrilling last. Roberts' workrate and cleaner scoring seemingly caught the eye but the unanimous decision by one point went to Edge. An elusive first win cannot be to far away for Roberts, who was 15 just two days later.

# **MULTI MILLION POUND** STOCK CLEARANCE

## Cousins have been closed -

- But they reopen this Friday at 10am in time for their multi million pound clearance event. New departments opening within the store mean you can save up to 70% on a massive range of furniture, carpets, beds and homewares.

## For 3 Days, this Friday Saturday & Sunday

Cousins have been closed all week, because staff have been working around the clock handling vast amounts of surplus and incoming stock from suppliers, which is arriving daily to the stores - all price tickets have been reduced to a fraction of the normal price for this one off clearance event.

EXTENSIVE REFURBISHMENT

Cousins will be undergoing extensive refurbishments in order to accommodate new lifestyle departments, brand new Stressless galleries, extensions to their homeware departments and also many new furniture collections.

To make room for these exciting ranges of accessories and furniture, they must clear existing stock immediately. As a result of this, you can take advantage of huge savings and massive reductions on furniture, carpets, beds and

will give added inspiration by showcasing the latest in "retro chic" and "vintage revival."

Managing Director Robert Shotton is keen to clear the existing stock to allow the new departments to flourish." From big brand name sofas to home accessories, they are all on the clearance list as Cousins must empty their warehouses to complete the refurbishment

#### ALL ITEMS MUST GO

"We need to clear this stock as soon as possible and it really is a case of everything must go," said Robert. "We have recognised that people come

to Cousins for the full shopping experience, which includes being able to purchase cushions and accessories to compliment their new sofa or dining table.

The extensions to our homewares department incorporate exciting new products such as beanbags, electrical and flora.

However, the only way to make room for these new additions to the Cousins range is to clear the existing stock we have."

#### UNBEATABLE PRICES

Following successful buying trips to Cologne, Paris, Milan, Singapore and Shanghai, Cousins are introducing many new furniture collections to their already extensive stock. To accommodate the new season ranges, they have massively reduced the prices of the existing stock, some by up to 70% for a limited time only.

#### MASSIVE REDUCTIONS

Some of the massive reductions available include a saving of more than £1650 on a Derwent suite plus a leather bedstead for £149. With lamps, pictures, rugs, carpets and their complete range of accessories discounted

"We've even reduced all made to order items, so you can choose exactly what suits your home, whether it's a beautiful new marble dining table or a new bed.

Our expert team of sales people will be on hand to make sure you get the best furniture at the right price for your home.

We are expecting this to be one of the busiest times of the year from the minute that our doors open, but with fresh stock arriving throughout the weekend, including some amazing reductions, every customer can go home with a fantastic bargain."
